WALL OR DOOR MOUNT

All of the signs in this brochure can be wall or door mounted if required. Simply order the sign without a bracket.

Pin Mount - Suitable for fabric screens

All sign types included in this brochure can be wall mounted as an alternative option. Please nominate wall mount installation if you do not require a workstation bracket.

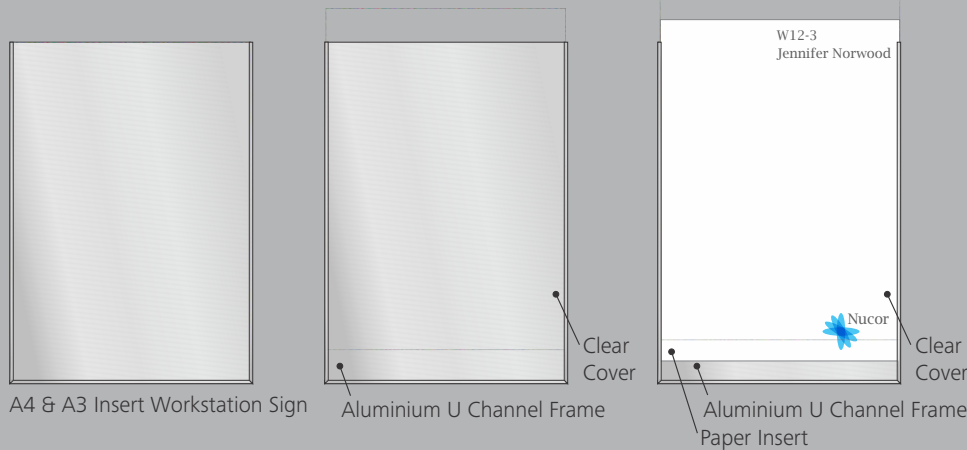

WORKSTATION A4 & A3 INSERT SIGNS

The A4 & A3 Workstation Sign Series is a 3 sided slimline aluminium frame, with a clear plastic cover.

There is open access at the top of the sign where you can insert a piece of printed paper. The paper sits behind the clear cover.

Print your company logo, staff or location name and use the sign for staff ID as well as company branding.

The clear cover also acts as a whiteboard. Simply write on the cover with a whiteboard marker. Remove the marker with a whiteboard eraser or smooth cloth.

FINISH

- Frame - The standard finish is clear anodised aluminium.
- Cover - clear polycarbonate

INSTALLATION

- Workstation Mount - This sign can be attached to a custom bracket and fixed directly to a workstation screen.

WORKSTATION SIGN SERIES

The Workstation Sign Series is designed to make updating names, labels and graphics easy, cost effective, time efficient and streamlined. This system was designed with the end user in mind.

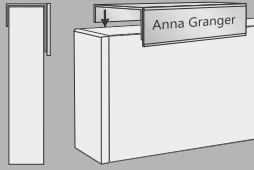

The 2 options include:

- Insert the printed or paper graphics in behind the clear cover,
- Add your vinyl graphics directly to the aluminium plate.

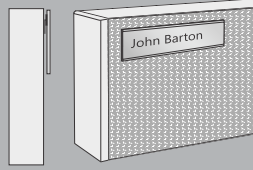

S Bracket

This Bracket can sit inside the groove within the screen system cap.

U Bracket

This Bracket can sit over the top of the screen system cap.

Pin Mount

Two custom pins attached to the back of the sign allow mounting to the fabric

NOTE: There are variations of each of these bracket options. The final sizes, shapes and dimensions will be determined by which screen system is used.
